## NEWS CLIPPING REPORT

“Last year was the first Ocean Marina Pattaya Boat Show and we received a lot of positive feedback. We are building on that success and for this year have expanded the onshore space and re-developed the layout. Bookings have been strong and we are looking forward to an exciting show for both exhibitors and visitors,” said Mrs. Supatra Angkawinijwong, acting managing director, Ocean Property.

The Gulf of Thailand’s close proximity to the South China Sea opens up the area to yachts from Hong Kong and further north and south to the Indonesian archipelago, Australia and New Zealand. The Gulf of Thailand provides idyllic tropical cruising with islands dotted off the shore and the untouched waters of Cambodia and Vietnam on the region’s doorstep.

A large turnout of Thais, expats and tourists from neighbouring regions, lifestyle-lovers, entrepreneurs, investors, boat owners and property owners, as well as targeted VIPs and media are expected at the 2013 Show to enjoy a diverse display of products and businesses, including international yacht brands, marine accessories and services, yacht charter, water sports, automobile brands, luxury real estate, lifestyle brands and much more.

There are also lots of onshore and on-water activities and entertainment planned, including free sailing trials, free kayak trials, lucky draws, luxury cocktail parties, Dragon Boat Race and a marina-side beer garden and festival with live band.
